

## MEMBER POSITION DESCRIPTION OUTLINE

This outline is a training tool designed to help new AmeriCorps program staff create a strong member position description. It will be most helpful when used alongside the Grant Terms and Conditions, AmeriCorps Regulations, and other CNCS-specific guidance. The outline is for reference only; it does not contain citations for all AmeriCorps grant or program requirements. Additional information on member position descriptions may be found on the National Service Knowledge Network: <http://www.nationalservice.gov/resources>.

A member position description is a required component of the member service agreement. It should accurately, completely, and specifically describe the activities to be performed by each AmeriCorps member. Each AmeriCorps member enrolled in the Member Portal must have a position description on file before she/he begins service. Member position descriptions must also be available for inspection by CNCS, state commission, tribal or national program staff, and as part of an audit or investigation of the CNCS Office of Inspector General.
