**SECRETARY KAREN BAKER HOLDS ROUNDTABLE DISCUSSION WITH NONPROFIT LEADERS IN CHICO TO ADDRESS BARRIERS TO VOLUNTEERING**  
*Visit is part of statewide listening tour held on heels of Governor Schwarzenegger's nation-leading action to elevate service and volunteering to his cabinet*

**Chico, CA** – Today, Karen Baker, Governor Schwarzenegger's newly-appointed secretary of service and volunteering met with leaders from the volunteer and nonprofit sectors learn about challenges they face in recruiting and retaining volunteers and how she can use her new role to help address such challenges.

"Volunteers play a vital role in address the critical needs of our communities and state," remarked Karen Baker, secretary of Service and Volunteering. "The Governor and I recognize the need to more effectively utilize this powerful resource."

Secretary Baker's visit to Chico is one of 30 stops on a statewide tour that began on February 27. Baker is meeting with leaders from the nonprofit and corporate sectors, philanthropy, public agencies, emergency managers and volunteer organizations active in disaster. The purpose of the listening tour is to engage nonprofits and public agencies in dialogue to better understand the status of and needs for volunteering in local communities and explore opportunities to build partnerships and tackle the barriers to volunteering in California.

"Volunteers play a crucial role in improving our community," said Barbara Hanna, executive director of Caring Choices Northern California Volunteer Center. "We appreciate Secretary Baker's visit to our region and look forward to continuing our work together."

The listening tour comes on the heels of the Governor's nation-leading action to establish a cabinet-level position on service and volunteering. This new position will raise the profile of service in the Golden State to a national level; improve coordination of vital volunteer activities statewide and support local service efforts; encourage more Californians to become involved with service and volunteerism; help California respond to natural disasters and emergencies; and give California's volunteers a voice at the highest levels of state government.
